UNIVERSITY OF VIRGINIA CAVALIER REACTOR
DOCKET NO. 50-396

You have submitted a request for amendment of the organizational chart in the CAVALIER technical specifications (TSs). However, it appears that some aspects of the CAVALIER Section 6 organizational TSs do not match your proposed organizational charts (e.g., there is no description of the decommissioning committee in the CAVALIER TS). Please review the CAVALIER organizational TSs in light of your requested organizational chart changes and the possession-only amendment issued for the University of Virginia Research Reactor that amended the organizational aspects of those TSs. Please propose and justify any additional changes to the CAVALIER TSs that may be needed.
