SUBJECT: Indian Point 3 Nuclear Power Plant  
Docket No. 50-286  
License No. DPR-64  
**Withdrawal of Request for Change to a Previous Commitment  
Made Regarding Emergency Plan Staffing Requirements**

Reference: NYPA letter from Robert J. Barrett to the NRC, "Request for Change to a Previous Commitment Made Regarding Emergency Plan Staffing Requirements," IPN-99-088, dated August 18, 1999.

Dear Sir:

The purpose of this letter is to withdraw the request for prior approval of a change to a previous commitment submitted in the referenced letter. The request, related to emergency plan staffing requirements implemented to address NUREG-0737 and the November 11, 1980 Confirmatory Order, is withdrawn as a result of a conversation with the NRC staff indicating that NYPA can process this change internally.

The Authority is making no new commitments in this submittal. Should you have any questions regarding this matter, please contact Mr. K. Peters at (914) 736-8029.

Very truly yours,

A handwritten signature in cursive script, appearing to read 'Robert J. Barrett', written over the typed name and title.
