Dear Governor's Designee:

You are listed as the State official designated by your Governor* to receive advance notification of transportation of certain shipments of nuclear waste and spent fuel through your State, as required by Section 301 of Public Law 96-295 and implemented by provisions in 10 CFR Parts 71 and 73 of the Nuclear Regulatory Commission's regulations. I have enclosed a copy of the applicable portions of the regulations for your information.

I have also enclosed a copy of the present list of Governors' designees, containing your address and telephone number. If any information on this list is inaccurate, please send your corrections to the Office of State Programs. If we do not receive a response by June 1, 2000, we will assume the information shown on the list is correct. The list of Governors' designees is required to be published in the Federal Register on or about June 30, 2000.

During the year, please inform us of any changes which may arise in either appointment, address, or telephone number. Please note that changes in appointment should be made by the Governor of your State.

Any inquiries on this matter should be directed to Spiros Droggitis of my staff at (301) 415-2367 or by INTERNET: SCD@NRC.GOV. You may also FAX corrections to Mr. Droggitis at (301) 415-3502.
