DOCKETED
USNRC

Dear RICHARD

'00 FEB 28 AM 12

N. R. C. = REGULATE THE INDUSTRY FOR MY SAFETY

WHAT'S THE MATTER WITH YOU AND YOUR GROUP. DO YOU REALLY THINK WE CAN POISON THE ENTIRE PLANET. I'M TOO OLD TO KEEP WRITING THESE LETTERS TO DIFFERENT N.R.C. CHAIN PEOPLE.

→ NO CONTAMINATED MATERIALS IN THE PRODUCT STREAM CAN BE ALLOWED. IT'S A JOKE, WITH ME TO SEE WHAT COUNTRY WILL BE THE FIRST TO DO THIS HEINOUS CRIME AGAINST US ALL.

NO NICKEL, NO CLADDING, NO ELECTRIC PARTS NO METALS
NO NOTHING RADIO ACTIVE
NO ADVERTISING ON THE BENEFITS OF RADIATION JUST INTELLIGENT CLOSURE ON THE NUCLEAR AGE.

DON'T SELL OUT TO THESE COMPANIES AMERGEN, CANAGEN, ENERGY, I LIVE IN THE 10 MILE ZONE AND LOVE MY HOUSE AND GARDEN.

Dale Saltzman DS10
