SUBJECT: ACCEPTANCE OF SOIL SAMPLING/SURVEY OF STORAGE YARD AFTER  
REMEDICATION REPORT (TAC NO. L31308)

Dear Mr. Smith:

We have received the report entitled "Soil Sampling/Survey of Storage Yard After Remediation" transmitted by letter dated January 21, 2000. Your request has been assigned TAC No. L31308. Please reference this number in any future correspondence associated with this request.

We have completed our acceptance review of the report and have identified no administrative omissions or deficiencies. The report has been accepted for formal review. Please note that the complete technical review may identify omissions in the submittal information or technical issues that require additional information. Until you hear from us, please do not begin reforestation of the area in question.

Based on our acceptance review and projection of current review schedules, we anticipate completing our review by April 7, 2000. This date could change depending on the findings of our technical review, urgent assignments, or other factors. We will promptly communicate any significant changes to this schedule. I can be reached at (301) 415-7292 or by e-mail at [jao@nrc.gov](mailto:jao@nrc.gov).

In addition, a copy of your submittal has been forwarded to the License Fee and Accounts Receivable Branch, Office of the Chief Financial Officer, who will contact you separately if the appropriate license fee has not been submitted for your request, or for billing if your request is subject to full cost fee recovery.

Sincerely,

Julie A. Olivier, Project Manager
