Document SECY-99-232 indicates that the Office of General Counsel is submitting a separate memorandum to the Commission addressing the Commission's responsibilities under the National Environmental Policy Act associated with applying the License Termination Rule to the West Valley Demonstration Project.

Under the Freedom of Information Act, I am requesting that the NRC furnish me a copy of the memorandum from the General Counsel's office discussed above. As a member of an educational institution, I am requesting that this document be furnished without charge in accordance with Section 9.39(a) of the FOIA Regulations.

Thank you very much.
