Re: Freedom of Information Act (FOIA) Request
Li Tungsten Facility, Glen Cove NY

BBL Project #: 03755.070

Dear FOIA Officer:

The purpose of this letter is to request a review of all available files maintained by the U.S. Nuclear Regulatory Commission and the former Atomic Energy Commission (AEC), pertaining to the former Wah Chang Smelting and Refining Company of America, Inc. facility. The former Wah Chang facility is located at 63 Herb Hill Road, Glen Cove, Nassau County, New York, 11542. Operations at this location have also been conducted by related companies under one or more of the following names:

- Wah Chang Trading Company;
- Teledyne Wah Chang; and
- Li Tungsten Corporation.

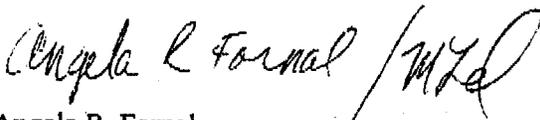

Available files may include information such as inspection reports, manifests, permits, violations, etc. BBL understands that various licenses may also have been issued to former owners or operators of this site by either the AEC or the NRC. Activities authorized by AEC/NRC may have been covered by one or more permits which could include the following:

- License #D607, issued 12/6/57; and
- License #743-0464, issued 3/19/64.

Blasland, Bouck, and Lee appreciates your assistance with this request. If you have any questions or require additional information, please contact me at (412) 231-6624 Ext. 571.

Very Truly Yours,

BLASLAND, BOUCK & LEE, INC
