King of Prussia, PA 19406-1415

Dear Mr. Miller:

Please advise our organization as to the existence of regulations in your state that establish licensing, registration or other certification for a physicist to perform nuclear medicine consultation. Our interest is not X-ray calibration, but is only nuclear medicine consultation ie: license preparation, dosimetry review etc.

Your prompt response would be greatly appreciated.

Sincerely,

Charles H. Rose, MA, MSPH, D(ABSNM)
Executive Director
