Re: FOIA Request regarding large and small bore piping, and Stone
& Webster Engineering Corporation

Dear Mr. Powell:

In accordance with The Freedom of Information Act, 5 U.S.C. 552, and the provisions of 10 CFR Part 9, as amended, we request copies of any documents in your possession which relate to any or all of the following descriptions:

1. All documents submitted by Stone & Webster Engineering Corporation or the licensee regarding Surry 1 and 2, Maine Yankee, Fitzpatrick, or Beaver Valley Power Station No. 1 in response to I.E. Bulletin 79-14 concerning small bore piping (piping 2 ½ inches or less in diameter).
2. All documents submitted by Stone & Webster Engineering Corporation or the licensee regarding Surry 1 and 2, Maine Yankee, Fitzpatrick, or Beaver Valley Power Station No. 1 in response to I.E. Bulletins 79-02 or 79-14 concerning large bore piping seismic capability or seismic stress analysis (piping 2 ½ inches or more in diameter).
3. All documents from whatever source regarding revisions, amendments or changes to I.E. Bulletin 79-14.

4. All documents pertaining to "reportable incidents" (including Licensee Event Reports or "LER"s) involving Category I piping, and, in particular, piping supports at Surry 1 and 2, Maine Yankee, Fitzpatrick, or Beaver Valley Power Station No. 1.
5. All documents pertaining to the NRC's meetings with Stone & Webster Engineering Corporation between October 1978 and March 1979 regarding the adequacy of computer analyzed piping and possibility of a shutdown.
6. All specifications, drawings or other documentation pertaining to the design basis for the Category I small bore piping at Surry 1 and 2, Maine Yankee, Fitzpatrick, or Beaver Valley Power Station No. 1.
7. Any documentation pertaining to a review conducted in 1974 or 1975 at Beaver Valley Power Station No. 1 to confirm the as-built conditions of the Category I small bore piping.
8. All file materials, notes, records and other documents created or maintained by the following individuals pertaining to the shutdown of Beaver Valley Power Station No. 1, Maine Yankee, Surry 1 and 2, and Fitzpatrick:
 - (a) R. Bosnak
 - (b) E. Case
 - (c) H. Denton
 - (d) D. Eisenhut
 - (e) B. Grimes
 - (f) K.S. Herring
 - (g) J. Knight
 - (h) R. Mattson
 - (i) V. Noonan
 - (j) W. Russell
 - (k) L.C. Shao
 - (l) V. Stello

This request includes, but is not limited to, all documents in the files of your office, all related correspondence, and all reports, findings and recommendations. This request also includes, but is not limited to, all documents produced by or obtained from Stone & Webster Engineering Corporation or any licensee or construction permit holder for Surry 1 and 2, Maine Yankee, Fitzpatrick, or Beaver Valley Power Station No. 1.

Pursuant to 10 CFR § 9.35, as amended, we will assume financial responsibility for all fees as set out in the Commission's current schedule of fees. We ask that you respond to this request within twenty (20) business days. If you have any questions, or require any additional information or clarification, please let us know.

Very truly yours,

COHEN & GRIGSBY, P.C.
