Dear Mr. Meserve:

REC'D BY

Governor Gilmore has asked me to thank you for and respond to your letter of March 6, 2000, regarding the Nuclear Regulatory Commission's relationship with states through the selection of State Liaison Officers.

As you indicated in your letter, Mr. George O'N. Urquhart has left his position with the Department of Emergency Services; therefore, I am appointing Mr. Arthur S. Warren, Chief of Radiological Planning for the Virginia Department of Emergency Services to the position of State Liaison Officer.

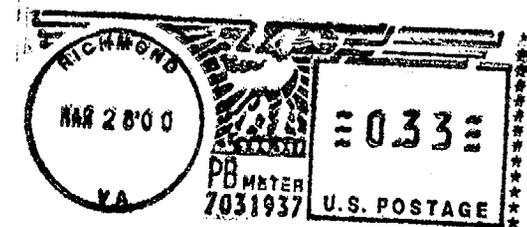

Thank you for bringing this opportunity to our attention.

Sincerely,
