Re: Turkey Point Units 3 and 4
Docket Nos. 50-250 and 50-251
Homestead AFB Property Disposal

Recently I learned that the hard copy of the letter of concerns from the Sierra Club, Miami Group, dated February 24, 2000, did not arrive at the NRC in a timely fashion, although the facsimile copy was received. I am enclosing another copy of that letter for your docket process.

The Air Force has solicited public comments for the disposal of the former AF base at Homestead, Florida. I am enclosing a copy of my comments. Most of the comments pertain to reactor safety and spent fuel pool safety at Turkey Point.

Sincerely,

Mark P. Oncavage
