Dear Mr. Crane:

This is in response to your letter to the Commission of March 22, 2000. That letter concerns the NRC staff's letter of March 3, 2000, to you and Chairman Meserve's letter to Representative Edward Markey of March 13, 2000, both on the subject of potassium iodide (KI). You request that the Commission ask the Office of the Inspector General (OIG) for information about each instance in which one or another aspect of the KI issue has come before it. In response to that request, by copy of this letter, I am forwarding your request to the Office of the Inspector General.

Thank you for your continued interest in this topic.

Sincerely,

/RA by Frank J. Miraglia Acting For/
