FOR IMMEDIATE RELEASE
(Friday, May 1, 1992)

NOTE TO EDITORS:

The Nuclear Regulatory Commission will meet Monday, May 11, at 10 a.m. to be briefed by its staff and representatives of Public Service Company of New Hampshire and Northeast Utilities on the proposed transfer of Public Service Company's ownership of the Seabrook nuclear power plant to Northeast Utilities. The meeting, which is open to the public, will be held in the Commission's meeting room at 11555 Rockville Pike in Rockville, Md.
