Gentlemen:

In a letter dated April 4, 2000, I informed you that the name of the transferee following the closing of the sale of ABB C-E Nuclear Power, Inc. to BNFL would be "C-E Nuclear Power LLC". A minor change has been made to the intended name, so the name will actually be "CE Nuclear Power LLC". Would you please reflect this name in your records.

Very truly yours,

ABB C-E Nuclear Power, Inc.

Robert S. Bell, Jr.
