Subject: Advance Notifications for Irradiated Reactor Fuel
 Shipments R28-1999-2 and R28-1999-3

50-2

Advance Notifications for Irradiated Reactor Fuel Shipments R28-1999-2 and R28-1999-3 have been sent to you. Please correct my 24-hour telephone number. The correct 24 hour telephone number for me is **(734) 355-8574**.

The correct 24-hour telephone number was in the shipping papers for R28-1999-1, but a typo crept into the advance notifications.

I apologize in advance for any confusion or inconvenience this may have caused.

Sincerely,

Christopher W. Becker
Reactor Laboratory Manager
