

No. 91-151  
Tel. 301/492-0240

FOR IMMEDIATE RELEASE  
(Monday, December 9, 1991)

NOTE TO EDITORS:

Telephone numbers for offices at the Nuclear Regulatory Commission's White Flint North headquarters building in Rockville, MD, are scheduled to change over the weekend of December 14-15.

The new number for the NRC's Office of Public Affairs, using area code 301, will be 504-2240.

The general telephone number for the NRC, 301/492-7000, will not change.

The NRC has arranged for an intercept on calls to the old telephone numbers for NRC White Flint offices for a period of six months. This intercept will answer calls to the old telephone numbers with a message which will state that the number has been changed and will provide the new telephone number.
