NRC TO CONDUCT WORKSHOP FOR
ORGANIZATION OF AGREEMENT STATE MANAGERS

Nuclear Regulatory Commission Chairman Ivan Selin will be the keynote speaker when the staff conducts a workshop for Organization of Agreement State (OAS) managers on April 5 and 6.

Agreement states are those 29 states which have assumed, by agreement with the NRC, regulatory authority over the possession and use of certain radioactive materials. The purpose of the workshop is to discuss program issues with OAS managers and other interested individuals.

Topics to be discussed include, among others: status of Agreement State program improvements, event reporting and data gathering and licensee wrongdoing awareness.

The meeting, which members of the public may observe, will begin at 8:30 a.m. each day and end at 5 p.m. It will be held in the Auditorium in the Commission's Two White Flint North Building at 11545 Rockville Pike in Rockville, Maryland.
