Re: Docket No. 50-219-LT

Dear Secretary:

Enclosed is a paginated copy of our Petition for Leave to Intervene and for a Hearing in the matter of the proposed license transfer from jersey Central Power & Light and GPOT Nuclear to AmerGen Energy Company, filed January 5, 2000.

I inadvertently provided you with a filing without page numbers. I apologize for this oversight. Aside from the page numbers, this version is identical to that filed January 5.

Respectfully submitted,

A handwritten signature in cursive script, appearing to read 'Michael Mariotte'.
