NRC PLANS TO MEET WITH STATE LIAISON OFFICERS

The NRC will meet with State Liaison Officers on October 8 and 9 in Rockville, Maryland, to discuss current issues of mutual interest.

The meeting, open for public observation, will be held from 8:30 a.m. to 5:00 p.m. on October 8 and from 8:30 a.m. to 12:00 noon on October 9 in the NRC auditorium at 11545 Rockville Pike.

Issues to be discussed during the meeting include: NRC's strategic assessment, current nuclear power plant issues (stemming from Millstone, Maine Yankee), electric utility restructuring and deregulation, the National Academy of Science's report on radiation in medicine, external regulation of DOE, spent fuel and high-level waste, enforcement policy and whistleblowers, and emergency response planning.

State Liaison Officers are appointed by the Governors of the 50 states to provide a communication link between individual states and the NRC.
