NRC NAMES NEW SENIOR RESIDENT INSPECTOR
AT CLINTON NUCLEAR POWER PLANT

Nuclear Regulatory Commission officials in Lisle, Illinois, have announced the assignment of Troy Pruett as the agency's Senior Resident Inspector at the Clinton nuclear power plant, located near Clinton, Illinois.

Pruett joined the NRC in 1992 as a health physics materials inspector at the Region V Office in California. Most recently, he had been a resident inspector at the Waterford plant in Louisiana. Prior to joining the NRC, he worked for Indiana/Michigan Power Company as an instructor at the D.C. Cook nuclear plant in Michigan. Also, for eight years he was an engineering laboratory technician and a machinist for the U.S. Navy. He received a Bachelor of Science in Human Resources Management from the New School For Social Research. Pruett and his wife, son, and daughter plan to reside in Bloomington, Illinois.

Pruett joins NRC Resident Inspector Karla Stoedter at Clinton. They can be reached at 217/935-9521.
