Reference: Docket No. 50-285

SUBJECT: Revision 6A to the Fort Calhoun Station (FCS) Security Training and Qualification Plan

The Omaha Public Power District (OPPD) encloses Revision 6A to the Fort Calhoun Station (FCS) Security Training and Qualification Plan. This revision has been determined not to degrade the effectiveness of current security plans, and has been approved in accordance with 10 CFR 50.54(p).

Revision 6A to the FCS Training and Qualification Plan includes a detailed summary listing of changes. The major changes are as follows:

1. Crucial Task 24, was changed from Use of Baton to Use of OC/Pepper Spray.
2. Under the Task and Duty Position Summary portion of the Training and Qualification Plan, the position of Nuclear Watch Officer was assigned the task of Use of OC/Pepper Spray.

All changes are identified with double revision bars in the right margin.
