

Jeb Bush  
Governor

Robert G. Brooks, M.D.  
Secretary

April 20, 2000

The Florida Bureau of Radiation Control Tallahassee offices are moving. Listed below is the new mailing address and new phone numbers for the offices. Administration and Field Operations will move on April 24, the Radiologic Technology Program will move on April 25 and the Radioactive Materials Program will move on April 26.

The new mailing address is the same for each program.

Department of Health  
Bureau of Radiation Control  
(Program Name)  
Bin C21  
4052 Bald Cypress Way  
Tallahassee, FL 32399-1741

Administration and Field Operations	(850) 245-4266
Radiologic Technology	(850) 245-4540
Radioactive Materials	(850) 245-4545

The fax numbers for each program will not change.

Sincerely,

A handwritten signature in cursive script that reads "William A. Passetti".

William A. Passetti  
Chief  
Bureau of Radiation Control
