

April 26, 2000

Mr. John C. Brons
Nuclear Energy Institute
1776 I Street NW
Suite 400
Washington, DC 20006

Dear Mr. Brons:

To assist you in preparation for the May 8, 2000 Commission meeting on Lessons Learned from the Nuclear Criticality Accident at Tokai-Mura and the Implications on the NRC's Program, I am enclosing the following staff paper as indicated in my letter to you on April 13:

- SECY-00-0085, Review of The Tokai-Mura Criticality Accident And Lessons Learned (Enclosure 1).

An updated Agenda is also enclosed (Enclosure 2); however, the time allotted for each panel to give their presentations remains the same. As indicated earlier, please adhere to the times in the agenda to allow sufficient time for a question and answer session with each panel.

Thank you for your participation. The Commission is looking forward to meeting with you on May 8.

Sincerely,

/RA/

Annette L. Vietti-Cook
