DATE AND TIME CHANGE FOR NRC CHAIRMAN SHIRLEY ANN JACKSON
NEWS BRIEFING AT QUAD CITIES PLANT

NEWS BRIEFING NOW SCHEDULED FOR THURSDAY AT 3 P.M.

Nuclear Regulatory Commission Chairman Shirley Ann Jackson will visit the Quad Cities Nuclear Power Station on Thursday (December 10). She will hold a media news briefing at the close of her plant visit.

The plant, in Cordova, Illinois, is operated by Commonwealth Edison Company.

The briefing will be at 3 p.m. in the Training Building (Room 107) at the plant site, 22712 206th Avenue North, Cordova, Illinois.

An NRC news release (No #56) issued on Friday (December 4) indicated that Chairman Jackson would be available to meet with interested news media representatives at the plant training building at 4 p.m. on Wednesday (December 9). That date and time has been changed to Thursday (December 10) at 3 p.m.
