Dear Mr. Essig:

Please be advised that effective May 1, 2000, there will be a management change with COGEMA Mining, Inc. and Pathfinder Mines Corporation that relates to the above referenced licenses. I will be the Operations Manager for Pathfinder's Lucky Mc Mine and Shirley Basin Mine, and I will continue to administer the environmental and regulatory affairs activities for those sites. Written correspondence concerning licenses SUA-672 and SUA-442 should continue to be sent to our Mills, Wyoming address (below) to my attention. I can be reached by telephone at (307)457-6626. Correspondence concerning COGEMA Mining, Inc.'s Irigaray/Christensen Ranch sites (SUA-1341) and Pathfinder's Ruth/North Butte sites (SUA-1540) should be addressed to Donna L. Wichers, General Manager, at the same address. Her telephone number remains (307)234-5019.

Please call me if there are any questions concerning this change.

Sincerely,

T. W. Hardgrove
Manager, Environmental and Regulatory Services
