Ladies and Gentlemen:

I am writing in support of the request that the operating terms for Plant Hatch Units 1 & 2 be extended for an additional twenty years.

Plant Hatch is an important part of the economy of our City as well as others in the area. Plant Hatch also provides jobs for many people in Reidsville and is important for the economic growth in the region. The financial support of 7% received from Plant Hatch helps our economic growth and alleviates some of our property tax.

Plant Hatch has been a good neighbor. I am kept well informed of plant activities and have complete trust in the management to operate the plant safely.

Your consideration of my thoughts on this matter is appreciated.

Sincerley,
CITY OF REIDSVILLE

Brad Barnard
