Division of Industrial and Medical Nuclear Safety
Office of Nuclear Material Safety and Safeguards
United States Nuclear Regulatory Commission
Washington, D.C. 20555-0001

Dear Mr. Cool:

Attached is a new SS & D safety evaluation registration for EDAX Portable Products Division (PPD), a State of Washington licensed device manufacturer, License Number WA-I0282-1. This company was formerly known as C-Thru Technologies Corporation and before that the Scitec Corporation. The registration is for the CT 5000 Series, two similar X-Ray Fluorescence devices, given registration number WA-0653-D-107-B.

This registration should be included in the master database and distributed as necessary to other regulatory agencies.

Thanks for your cooperation with this matter.

Sincerely,

Arden C. Scroggs, Manager
Industrial Licensing and Compliance
