Subject: NO Radioactive Release/Recycling

'00 MAY -9 P2:57

Dear Chairperson:

I am one of people who are concerned about our health and environment.

OFT-101-10-10-10
RULE-101-10-10-10
ADJUD-101-10-10-10

NO RADIOACTIVE RELEASE/RECYCLING!

That radioactive wastes and materials from nuclear power and weapons enter the consumer marketplace is NOT ACCEPTABLE at all!

I demand that you keep the radioactive wastes and materials from the public and the environment, and prohibit any release from regulatory control.

I demand that you recapture that the radioactive wastes and materials which have been released and work for an International Prohibition on radioactive release.
