Ladies and Gentlemen:

In your transmittal dated March 23, 2000, the staff requested a response to Non-Cited Violation (NCV) 50-348, 364/00-01-01, "Failure to Identify an USQ", within 30 days. As discussed between S. J. Cahill of your staff and Mark Ajluni of Southern Nuclear Operating Company (SNC), this response has been delayed to accommodate discussions with NRR regarding the violation. As the last discussion regarding this matter between SNC and NRC staff was held May 2, 2000, SNC requests an extension for response until June 1, 2000.

If you have questions please advise.

Respectfully submitted,
