TELEPHONE NO.

Tom Robins, Office Manager 612-870-3120

SUBJECT

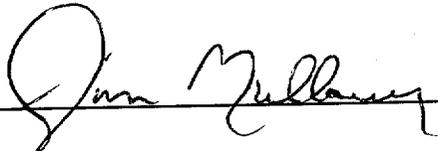

Termination Request dated 1/14/00

SUMMARY

I spoke to Tom and requested the most current copy of the leak test performed on the C-14 sealed source to confirm there was no leakage at time of transfer. I also have a call into Peggy Ellis, Ph.D. who received the source at NYC.

Tom will look for the leak test.....Sam Mulay may have some info concerning this matter.

This action is certified by

ACTION REQUIRED

Wait for leak test results.
