ALL AGREEMENT AND NON-AGREEMENT STATES

PROGRAM MANAGEMENT INFORMATION: ORGANIZATION OF AGREEMENT STATES (OAS) AND CONFERENCE OF RADIATION CONTROL PROGRAM DIRECTORS, INC. (CRCPD) COMMISSION BRIEFING - JUNE 13, 2000, 9:30 A.M. EASTERN (STP-00-042)

In an effort to accommodate State interest in listening to the Nuclear Regulatory Commission (NRC) briefing, the NRC Office of State Programs has made the following arrangements in coordination with the Offices of the Secretary and Chief Information Officer.

Please notify Rosetta Virgilio, NRC Office of State and Tribal Programs, of your State's interest in participating in the subject teleconference by providing her with a designated State contact name and their **direct** telephone number by no later than **COB June 6, 2000**. Ms. Virgilio can be reached at (301) 415-2307, via e-mail at rova@nrc.gov or by fax at (301) 415-3502.

A FTS 2000 Conference Attendant will telephone the designated State contact **between 8:45 a.m. and 9:15 a.m. Eastern on June 13, 2000**, to link him/her to the Commission briefing teleconference. It is imperative that the designated State contact be committed and available to receive the incoming call at their designated number during this appointed time frame; otherwise, the State may be omitted from the teleconference linkup altogether.

It is suggested that if more than one State member is interested in listening to the Commission briefing, that the State make arrangements to use a single speaker telephone to accommodate such interest. All callers are asked to **engage the speaker telephone mute function to help eliminate background noise**. Your cooperation and patience is not only appreciated, but is sure to add to the success of this endeavor.

If you experience any difficulties in getting tied into the teleconference, please call 1-800-545-4387 and provide the attendant with the **conference ID #R63823**. Please provide constructive feedback to Ms. Virgilio following the teleconference. Please accept our apology for not being able to secure an afternoon session with the Commission for this briefing. We will endeavor to reserve a more timely slot for future briefings.
