ATTN: Mr. Stephen J. Cahill

Dear Mr. Cahill:

Southern Nuclear Operating Company (SNC) has completed the investigation of the concerns raised in Allegation RII-2000-A-0014. The investigation was conducted by an employee with Plant Hatch. The employee was independent of the organization affected by the concern. The evaluation addressed the concern, the root causes were considered, and the corrective action was sufficient.

A summary of the investigation is included in the enclosure to this response.

Should you have questions in this regard, please contact this office.

Respectfully submitted,
