

May 11, 2000

Dear Colleague:

On behalf of the Nuclear Regulatory Commission (NRC), I would like to thank you for your previous interest and support in the guidelines for performance-based activities. Your input, whether as written comments on the *Federal Register* notice of January 17, 2000, (65 FR 3615) or participation at the March 1, 2000, public workshop was instrumental in modifying the guidelines.

The NRC staff's response to your comments, the revised guidelines, and a description of a process to implement these guidelines has been published in the May 9, 2000, *Federal Register* 65 FR 26772, a copy of which is enclosed.

The NRC will hold an on-line public workshop on June 8, 2000, from 8:00 AM to 4:00 PM to solicit public comment on the enclosed *Federal Register* notice. Details for the workshop are discussed in the enclosed FRN and are available on the NRC website at: http://ruleforum.llnl.gov/cgi-bin/rulemake?source=PBA_RFC. Toll free telephone numbers will also be available for those without ready access to the internet as an alternative means of communicating during the workshop. In addition, written comments throughout the 45 day comment period are invited.

In view of your demonstrated interest in this issue, I would like to personally invite you to participate in this public comment process.

Sincerely,

/RA/

Jack E. Rosenthal, Chief
Regulatory Effectiveness Assessment
and Human Factors Branch
Division of Systems Analysis and Regulatory Effectiveness
Office of Nuclear Regulatory Research

Enclosure: As stated
