In Re: In the Matter of Molycorp, Inc.
(Temporary Storage of York Waste)
Docket No. 40-8778-MLA

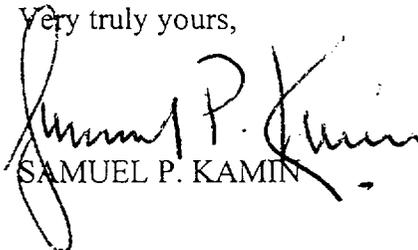

Dear Mr. Hull:

I am responding to the enclosure attached to your letter of May 3, 2000 with respect to the above matter. The only documents which I have in my file are as follows:

- (a) Item 4 - "Hydrogeology in the Vicinity of the Proposed Interim Storage Area," dated 4/96 (from Foster Wheeler on behalf of Molycorp).
- (b) Item 8 - "Final Design Report Temporary Thorium Storage Structure," dated 10/29/96 (divided into 7 sections, and including Appendices A-H). I do not have the correspondence referenced in Item 8.

I am, therefore, requesting that you provide me with a complete hearing file except for the two items mentioned above.

Very truly yours,

SAMUEL P. KAMIN
