**Re: Private Fuel Storage – Docket No. 72-22 – ASLBP No. 97-732-02**

To the Secretary of the Commission:

Today, Private Fuel Storage (“PFS”) is submitting the testimonies of its witnesses and supporting exhibits for the June 2000 evidentiary hearings in the above referenced proceedings. Some of the testimonies and exhibits are being filed as proprietary because they contain sensitive, confidential commercial and financial information. Specifically, PFS requests that the NRC treat the testimony of Joseph F. Gase and George L. Takacs on construction cost estimates, the testimony of John Parkyn on construction cost estimates, the testimony of John Parkyn on property insurance, the testimony of John Parkyn and Jon Kapitz on estimated operation and maintenance costs, the testimony of Hanson Pickerl on property insurance, and PFS Exhibits B and C as confidential under 10 C.F.R. § 2.790, for the reasons set forth in the attached affidavit of John D. Parkyn. In addition, PFS is filing PFS Exhibit A as confidential, pursuant to the attached affidavit of Dr. Alan Soler requesting the NRC to treat PFS Exhibit A as proprietary. Accordingly, these documents are clearly marked as proprietary.

If you have any questions, please contact me at (202) 663-8304.

Sincerely,

  
Paul A. Gaukler
