Hon. Richard A. Meserve  
Chairman  
Nuclear Regulatory Commission  
Washington, D.C. 20555

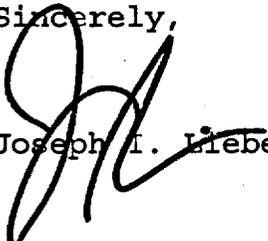

Dear Chairman Meserve:

I'm enclosing copies of letters which I received from one of my constituents, Lynn Pekkanen, who expressed concern about recent accidents at the Millstone 2 and Indian Point 2 nuclear power plants.

My constituent has expressed concerns about the safety of the plants, and I would appreciate it if you would provide me with information that addresses the issues she raised.

Thank you for your attention to this matter.

Sincerely,

  
Joseph I. Lieberman

Re: Radiation leak at  
Indian Point 2 nuclear plant

Dear Senator:

The recent radiation leak, and  
failure of the NRC to notify the  
public, makes me fearful of  
the safety of our old nuclear  
power plants in Connecticut.

Sincerely  
Lynn Peckover
