COPYRIGHT LICENSE

The Electric Power Research Institute, Inc. (EPRI) hereby grants the Nuclear Regulatory Commission (NRC) a Copyright License which authorizes it to make a reasonable number of copies, for a limited period, of copyrighted documents currently in the possession of the NRC which are necessary for its internal use and to fulfill its legal responsibilities as regards to public disclosure. However, this agreement does not amend, modify or change any of the NRC's obligation to EPRI regarding the withholding of Proprietary Documents from public disclosure under 10 CFR 2.790 (a)(4). This Copyright License covers the following type of documents, which includes, but is not limited to generic or plant-specific reviews or approvals or the issuance, denial, amendment, transfer, renewal, modification, suspension, revocation, or violation of a license, permit, order or regulation. This authorization is granted with the understanding that any copies of the publication made by the NRC will continue to bear the copyright notice, which will be reproduced along with any portion of the publication. This Copyright License and release is retroactive and will expire on October 1, 2001.
