Dear Mr. Deihl,

On behalf of the Office of Nuclear Reactor Regulation (NRR) of the U.S. Nuclear Regulatory Commission (NRC), I would like to extend my appreciation for the support of the entire staff of the Best Western Hotel and Conference Center for the recent International Workshop on Regulatory Inspection Practices. The workshop, which was held May 14-17, 2000, at your facility, was a huge success and we were very pleased with your facilities, services, and staff.

We would especially like to thank Bonnie Triplett, Director of Sales & Marketing; Carolyn Burke, Catering Manager; and Gary Koletschke, Banquet Manager. Each of them were unfailing in their efforts to help us put on a first rate workshop. Their professional demeanor and willingness to go the extra mile for us were invaluable and contributed to the overall success of the workshop.

Please relay our most sincere thanks to Bonnie, Carolyn, Gary, and express our appreciation to all of your staff for a job well done.

Sincerely,

/RA/
