The total dollar value of items to be exported from the United States under this license is approximately \$200, 000, 000.00.

Equipment, tools, components and materials covered by this license may be disposed of or returned to CE Nuclear Power LLC in the United States or transferred to the site of another reactor exported pursuant to a facility export license issued by the U.S. Nuclear Regulatory Commission to CE Nuclear Power LLC.

No byproduct, source or special nuclear material may be exported under this license.

The license is amended to change licensee name from ABB C-E Nuclear Power, Inc., to CE Nuclear Power LLC.

This amendment replaces and supersedes the original license issued on September 16, 1997 and amendment no. 01 issued December 21, 1999.
