E. William Brach
Director, Spent Fuel Project Office
Office of Nuclear Material Safety and Safeguards, NMSS
U.S. Nuclear Regulatory Commission
Washington, DC 20555

Dear Mr. Brach:

**SUBJ: APPLICATION FOR RENEWAL OF CERTIFICATE OF COMPLIANCE FOR THE CNS 8-120B
CASK, NO. 9168**

Chem-Nuclear Systems respectfully submits this request for renewal of Certificate of Compliance No. 9168 for the CNS 8-120B cask. The current Certificate of Compliance expires on June 30, 2000.

After careful review of operating procedures, acceptance tests, and maintenance programs, it has been determined that some minor changes to the Safety Analysis Report will be requested. Most of the changes involve editorial clarifications and additional detail to Chapters 4, 7, and 8 of the Safety Analysis Report.

A submittal incorporating these changes will be forthcoming in approximately two weeks. No changes to contents are being requested.

Should you or the members of your staff have any questions concerning this application, please telephone Mr. Charles Witt at (803) 758-1890.

Sincerely,

Shayne Merritt For Patrick L. Paquin
