In the Matter of
NORTHEAST NUCLEAR ENERGY COMPANY
(Millstone Nuclear Power Station, Unit No. 3)
Docket No. 50-423-LA-3

Dear Administrative Judges:

On May 3, 2000, the NRC staff filed a motion to compel the Connecticut Coalition Against Millstone (CCAM) and the Long Island Coalition Against Millstone (CAM) (collectively "intervenors") to respond to the NRC staff's first set of interrogatories and requests for production of documents. On May 4, 2000, NNECO filed a response supporting the motion. The time for responding to the Staff's motion has expired and intervenors have not filed a response. Therefore, the motion should be granted. The Staff respectfully requests that the Board issue an order compelling a response and setting a date for compliance that will occur prior to May 30, 2000.

Sincerely,

Susan L. Uttal */RA/*
