This supplemental agreement modifies the contract to reflect a no-cost termination settlement agreement and to terminate the contract. As a result, both parties agree to the following:

- 1) The Contractor unconditionally waives any charges against the Government because of the termination of the contract and releases it from all obligations under the contract or due to its termination. The Government agrees that all contractor obligations under the contract are concluded. The Contractor agrees that the Government's previous payment of costs and a pro-rata portion of the fixed fee billed through Invoice No. 4 for the period ending November 26, 1999 represents all costs and fee to which the Contractor is entitled to reimbursement under the contract. The Contractor shall not seek reimbursement for the costs submitted under Invoice No. 5 in the amount of \$120,672.57 for the period November 27, 1999 to December 16, 1999. Furthermore, the NRC will not pay Invoice No. 5 nor any subsequent invoices for performance of work under this contract nor any invoice for charges related to the termination of this contract. This no-cost termination settlement agreement constitutes the complete and final settlement of all matters related to Contract NRC-04-99-046. The Contractor waives its right to bring an action against the NRC, its officers, agents and employees in any forum related to Contract No. NRC-04-99-046.
- 2) Regardless of any other provision of this agreement, the following rights and liabilities of the parties under the contract are reserved:
 - (A) All right of the Government to take the benefit of agreements or judgements affecting royalties paid or payable in connection with the performance of the contract.
 - (B) All rights and liabilities, if any, of the parties under those clauses inserted in the contract because of the requirements of Acts of Congress and Executive Orders, including, without limitation, any applicable clauses related to: labor law, contingent fees, domestic article, employment of aliens, and "officials not to be benefit."
 - (C) All rights and liabilities, if any, of the parties arising under the contract and relating to reproduction rights, patent infringement, inventions, or applications for patents, including rights to assignments, invention reports, licenses, covenants of indemnity against patent risks, and bonds for patent indemnity obligations, together with all rights and liabilities under the bonds.
 - (D) All rights and liabilities, if any, of the parties relating to Government property furnished to the Contractor for the performance of this contract.
 - (E) All rights and liabilities, if any, of the parties under those clauses of the contract relating to price reductions for defective cost or pricing data.
