Dear Mr. Kraft:

This letter is in response to your firm's proposal dated March 22, 2000, to correct the sound card issues in the matter of recording quality related to the NRC's purchase of 135 Pentium II computers ordered December 24, 1998.

The NRC accepts Force 3, Inc.'s proposed solution in concert with its trading partner, Trademark Computers, to provide the NRC with 135 Soundblaster PCI 128 sound cards at no additional costs to the NRC.
