Dear Mr. Combs:

It has come to our attention that we have not replied to Paul Lohaus's letter dated March 12, 1998 regarding changes in Florida's regulations identified in William Passetti's letter dated February 12, 1998. Both of these letters are enclosed for your review. Please find enclosed a copy of the final published regulations as requested. *There were no changes made between the draft rules originally submitted and the final issued rules.* The effective date of these rules was May 18, 1998. We have also enclosed an electronic copy of this material on a 3.5" floppy disk. We apologize for this oversight.

If you have any questions, please contact me at (850) 245-4545.

Sincerely,

Michael N. Stephens
Environmental Administrator
