Dear Ms. Reed:

This is a Freedom of Information Request for certain NRC documents related to a particular materials licensee: Fisher Scientific which is located in NJ. Please send me copies of the following:

- 1) a copy of the license SMB-201 issued to Fisher Scientific. If this license was terminated, just a copy of the letter and amendment terminating that license is needed. If it is active, then please send a copy of the current license and all current tie-down letters and documents.
- 2) a copy of the current license and all current tie-down letters and documents for Fisher Scientific's license 29-10211-01.

Best regards.

Very truly yours,
