P R O C E E D I N G S

[9:30 a.m.]

CHAIRMAN MESERVE: Good morning. Why don't we get underway. We have three items that we need to deal with first in an affirmation session.

Madam Secretary, could you proceed?

SECRETARY COOK: The Commission is being asked to act on a final rule amending 10 CFR Parts 2 and 50 to clarify its regulations to no longer require antitrust information as part of a post-operating license transfer application, since the Commission is not authorized to conduct antitrust reviews of post-operating license transfer applications.

The Commission has voted to approve the publication and implementation of this final rule, subject to the attached changes.

Would you please affirm your votes?

[Chorus of ayes.]

SECRETARY COOK: The Commission is being asked to act on an order dismissing proceedings related to the license transfer application at Nine Mile Point. The Commission has voted to approve an order which dismisses these proceedings as moot, based on the Applicant's withdrawal of their license transfer application.

Would you please affirm your vote?
