Ladies and Gentlemen:

Enclosed are the NPDES monthly report forms for the month of May, 2000.

No violations occurred during this time period. On May 11, personnel were cleaning air conditioners outside office buildings. The washwater, which contained detergent was running off the equipment and going to stormdrains. Several gallons entered the stormdrains before the evolution was discovered and stopped. No foaming was evident at the outfall to the streams. Maintenance personnel have been instructed to discontinue this practice.

If you have questions or require additional information, please contact Ms. Donna Tizzano at (440) 280-5514.

Very truly yours,

DGT:sc
