Dear Supplier:

Kerr-McGee Corporation is pleased to announce the acquisition of Kemira Pigments, Inc. located in Savannah, Georgia effective April 1, 2000. Kerr-McGee Corporation is an Oklahoma City-based energy and inorganic chemical company with worldwide operations and assets of approximately \$7 billion. Please find attached credit references.

With the objective of efficiently merging the business systems of Kemira Pigments with those of Kerr-McGee, we have changed the company name from Kemira Pigments, Inc. to Kerr-McGee Pigments (Savannah), Inc. and the name of the company road from One Kemira Road to One Kerr-McGee Road.

At this time, our Federal Tax Identification Number remains the same, as does our billing address. Our direct pay tax status has not changed.

The billing address will change to Oklahoma City during the fourth quarter of this year. You will be notified of the change at that time.

We look forward to a successful transition and a continued business relationship with all of our valued suppliers.

Sincerely,

Jim Peplow
