

June 21, 2000

Mr. John H. Mueller  
Chief Nuclear Officer  
Niagara Mohawk Power Corporation  
Nine Mile Point Nuclear Station  
Operations Building, Second Floor  
P. O. Box 63  
Lycoming, NY 13093

Subject: Letter from Mr. Robert Norway dated May 10, 2000, submitted pursuant to 10 CFR 2.206

Dear Mr. Mueller:

This letter is being sent to request additional information concerning an issue raised in Mr. Norway's May 10, 2000, letter to the NRC. Mr. Norway contends that a document, titled "Employee Feedback", submitted by Niagara Mohawk to the NRC at the May 10, 1996, Enforcement Conference, (EA-96-116), was not what he submitted in 1994 during the rightsizing process. He contends that the form he filled out was signed and dated and that the document submitted to the NRC by Niagara Mohawk was not a copy of the form he submitted.

I request you provide a copy of the Employee Feedback form Mr. Norway submitted to Niagara Mohawk. Also, I request you respond to the contention that the Employee Feedback form submitted by Niagara Mohawk to the NRC omitted information which Mr. Norway submitted to Niagara Mohawk.

Please provide the requested information by July 5, 2000.

Sincerely,

***/RA/***

R. W. Borchardt, Director  
Office of Enforcement
