Commissioner Dicus of the U.S. Nuclear Regulatory Commission (NRC) recently received a request from Major General Hans A. Van Winkle of the U.S. Army Corps of Engineers to designate a point-of-contact at NRC with whom the Corps may coordinate to provide further information concerning listening sessions on water resources challenges facing the Nation. We were requested to provide the name of the NRC's point-of-contact to you either by phone or e-mail at the above address. Therefore, this e-mail is to inform you that Mr. Tim Harris will be our point-of-contact. Mr. Harris is in our Office of Nuclear Material Safety and Safeguards, Division of Waste Management. He can be reached at (301) 415-6613 and his e-mail address is the@nrc.gov.
